DISABILITY RIGHTS EDUCATION & DEFENSE FUND

September 2009

Our very own Mary Lou Breslin, DREDF co-founder and Senior Policy Advisor and a nationally respected and honored disability rights advocate for more than 35 years, will receive a Community Leadership Award from the San Francisco Foundation on September 22, 2009.

The San Francisco Foundation Community Leadership Awards —

"recognize individuals and organizations whose leadership has made a significant impact in their particular Bay Area communities. This work may confront societal or civic issues, address health or environmental concerns, or promote arts and humanities.

We celebrate people who are rolling up their sleeves, taking initiative, and solving problems in their neighborhoods and communities.

The Community Leadership Awards showcase individual or organizational excellence in leadership as demonstrated by outstanding initiative, impact of work, and inspiration of others."

To RSVP for this wonderful free event to honor Mary Lou in San Francisco on September 22, go to <http://www.sff.org/about/calendar/2009-community-leadership-awards-celebration>. Registration is required by Friday, September 11, 2009.
