Founded in 1979, Disability Rights Education and Defense Fund (DREDF) is a national non-profit law and policy organization dedicated to protecting and advancing the civil and human rights of people with disabilities. Through legal advocacy, education, legislation, and public policy, DREDF works tirelessly to ensure that individuals with disabilities have equal access to opportunities and resources in all aspects of life. The 45th Anniversary event proceeds to safeguard the economic security, safety, and dignity of children and adults with disabilities by improving access to health care, housing, public benefits, transportation, and education through our legal, policy, and parent advocacy work. DREDF is a 501(c)3 tax-exempt organization. Visit us at dredf.org.
